Game Preview

Pickering Town v Bottesford Town FC
NCEFL Premier Division

The Pikes will be looking to respond on Saturday after a disappointing run of 5 games without a win, with 3 losses and 2 draws from those games and also to avenge the 3-0 loss away at Bottesford in the first game of the season.

Pickering's opponents, Bottesford Town currently placed 5th in the league will also be looking to get back to winning ways in the league having picked up just 3 draws and a loss from their last 4 league games - although in that same period they have also reached the 3rd Round of the FA Vase for only the second time in their history, with penalty shoot out victories in both their 1st and 2nd Round ties - versus Blyth Town 3-2 on penalties after the game had finished 0-0 in the 1st round and then last Saturday in the second round beating Chadderton 4-1 also on penalties after the game had finished 1-1.

They have drawn the difficult task of Droylsden FC away in the 3rd Round - Droylsden are currently top of the North West Counties Premier Division.

Bottesford started the season with 6 straight victories including that victory over The Pikes - they are yet to lose at home in the league with 4 wins and 3 draws from the 7 games played - scoring 23 goals and conceding 6 - away they have won 4 - drawn 1 and lost 3 - with 13 goals scored and 9 conceded.

Last season's games between the teams saw us lose 5-1 away with Coulibaly scoring our solitary goal, and a 3-1 victory at home with Souleymane Coulibaly, Joe Wood and George Brown scoring.

Team News -

Cameron Blackburn is hoping to return and be fit within the next fortnight but unfortunately Ben Leyland is out for the rest of the season with an ACL injury.

Player spotlight:

The players to watch for Bottesford are Owen Vincent who has 14 goals to his credit this season, 10 of them scored in the league and Jack McMenemy with 11 goals, 7 of them scored in the league.

NCEFL Chat

Tadcaster Albion are possibly the surprise team in the league this season and in the wrong way, having reached the play offs last season they were expected to be amongst the front runners this season and yet are currently second bottom of the league - they have actually won only 3 of 17 games played in the league with 2 of those coming in October versus Barton Town currently placed 3rd in the league and Albion Sports and they also took a point away at Bottesford Town, but defeats to Handsworth, Penistone Church and Retford FC are showing their inconsistencies.

Worsbrough Bridge are another side struggling at the moment since their previous manager Lee Morris departed for Frickley they have won only 1 and drawn one out of eleven games played.

FA Competitions

It was FA Vase time last weekend with two of the four NCEL sides playing going through to the 3rd Round - Retford FC had an excellent 5-1 victory away at NWCFL Maghull and Bottesford Town won away on penalties at Chadderton also from the NWCFL - whilst the other sides Brigg Town and Parkgate were knocked out of the competition - Brigg Town unfortunately going out to Northern League side North Shields 4-3 on penalties after having led 2-0 at one stage North Shields fought back to draw 2-2 with the equalising goal coming in the 89th minute from the penalty spot, and then went on to win the game 4-3 on penalties

Parkgate, having been reinstated from the last round suffered a 4-1 away at Nelson, another side from the NWCFL.

Continued.....

Other Northern League clubs besides North Shields that went through to the next round were Yarm & Eaglescliffe, who beat us in last year's competition, Bishop Auckland, Shildon and Boldon CA. - but the draw has not been kind to any of the sides with the representatives from both leagues all getting away ties in the 3rd Round.

FA Trophy - Bridlington Town had an excellent win in the last round of the FA Trophy beating NPL Premier Division side Curzon Ashton, who had played in the National League North for a number of seasons before being relegated last season, their reward in the Second Round Proper is a home draw against National League North side Macclesfield Town.

Another game that caught my eye in this competition was the Hebburn Town v Guiseley AFC tie as both sides drew each other in the FA Cup earlier in the season, with Guiseley beating their higher in the pyramid side 4-1 so no doubt Hebburn will be looking to put that right when they play each other again.
FA Cup - The 1st Round proper of the FA Cup sees two Step 4 clubs still in the competition namely AFC Rushden & Diamonds and Stafford Rangers with both sides having started in the competition at Extra Preliminary Round stage, both had surprise wins in the last round with the Diamonds beating National League North side Morecambe 2-1 at home and Stafford Town going one better when beating National League side Gateshead FC 5-0 in a replay after having drawn 1-1 away.

In the First Round proper both sides have drawn Football League sides with AFC Rushden & Diamonds drawing League 1 side Burton Albion away and Stafford Rangers drawing League 2 side Grimsby Town at home.

The programme rambles over for another day!!

Pickering Town Club History

Pickering Town FC, founded in 1888, spent nearly 80 years playing local football before joining the Yorkshire League in 1972. The club quickly progressed through the divisions, later becoming members of the Northern Counties East Football League (NCEFL).

The Pikes won the NCEFL Division 2 title in 1987–88 and claimed their first major senior trophy in 1990–91 by winning the North Riding County Cup.

Promotion to the NCEFL Premier Division followed in 1991–92, and the club narrowly missed out on the title the next season. Pickering also made its FA Cup debut in 1993–94 and reached the FA Vase quarter-finals in 2005–06.

The club won the North Riding Senior Cup again in 2012–13. After finishing as NCEFL Premier Division runners-up in 2015–16 and 2016–17, Pickering earned promotion to its highest level of senior non-league football. However, difficult seasons followed, including two curtailed campaigns during the COVID-19 pandemic and relegation from the Northern Premier League in 2021–22.

Since returning to the Northern League and then the NCEFL Premier Division, the club has faced several relegation battles, finishing second bottom in 2023–24 but retaining its place. The following season brought improvement, with Pickering finishing 10th after briefly challenging for the play-offs. Off the pitch, Mill Lane has been significantly developed with floodlights, seated stands, covered areas and improved changing facilities.

The club is also investing in its future through a scholarship programme, junior teams and the formation of a women's team competing in the North Riding Division 1 League.

Pickering Town Profiles

1 Goalkeepers

Luke Jackson - Luke has joined the club on a permanent basis this season after signing for the club on a dual registration last season from Bradford PA,. Previously Played for Huddersfield Town and Sheffield Wednesday academy

Charlie Colley - Charlie a young exciting stiker, joins us from Scarborough Athletic where he has been a prolific goalscorer for the Reseves.

BOTTESFORD TOWN FC

Bottesford Town FC - A Brief History

The club was established in 1974 and joined the Lincolnshire League. initially playing on pitches at Frederick Gough School in Scunthorpe, in 1983 it moved to Birch Park, its present ground after the council had granted a lease on the site, over the years the club made improvements to the site highlighted in July 2023 by the opening of the £1.5m Barrett Steel Stadium development.

In 1977–78 they finished bottom of the Premier Division, but were not relegated as it was expanded from 14 to 16 clubs. However, after finishing second-from-bottom the following season, they were relegated to Division One.

In 1987 the league was reduced to a single division, which the club became members of.

In 1986–87 they won the League Cup, a feat they repeated in 1988–89 and 1989–90. The latter season also saw them win the league for the first time, and they went on to retain the title for the next two seasons.They were runners-up in 1993–94, and in 2000 they joined the Premier Division of the Central Midlands League. After finishing third in their first season in the division, they were promoted to the Supreme Division.However, they were relegated back to the Premier Division at the end of the 2002–03 season after finishing bottom of the Supreme Division.In 2005–06 Bottesford finished third in the Premier Division, earning promotion to the Supreme Division. The following season saw them crowned league champions, resulting in promotion to Division One of the Northern Counties East League. In 2015–16 they finished third, qualifying for the promotion playoffs. After beating Hallam 2–0 in the semi-finals, they won the final against AFC Emley 4–3 on penalties following a 1–1 draw to earn promotion to the Premier Division.

Over the following seasons the club has established itself in the NCEFL Premier Division, although the last four seasons have seen the club struggle and finish in the lower reaches of the league.

Over the years the club has also established itself in the community gaining FA Charter Standard Community Club status in 2003 and then in 2009 County recognition when it was named FA Charter Standard Club of the Year by the Lincolnshire Football Association.
